SUMMARY

A highly motivated full-stack Java developer with rich expertise in both frontend and backend technologies. Armed with a certification in Full-Stack Java Development, my strength lies in building efficient, and scalable web applications. I am adept at problem-solving, team coordination, and continuous learning. My passion for leveraging emerging technologies makes me a great fit for innovative, challenging environments.

SKILLS

- **Programming Languages:** Java, Java EE, JavaScript, SQL
- **Web Technologies:** HTML, CSS, React JS, JSON, Bootstrap 5, Tailwind CSS
- **Frameworks and Libraries:** Spring Boot, Spring MVC, Hibernate, JPA, JSP, Servlets, REST APIs
- **Database Connectivity:** JDBC
- **Databases:** MongoDB, MySQL, PostgreSQL
- **Tools and Platforms:** Jenkins, Git, GitHub, Eclipse, IntelliJ IDEA, MySQL Workbench, Postman, VS Code
- **Development Methodologies:** Agile Methodologies, OOPS (Object-Oriented Programming Systems)
- **Soft Skills:** Problem-solving, Teamwork.

TECHNICAL PROJECT EXPERIENCE

Urbane Cart

- Played a key role in developing a user-friendly e-commerce application offering seamless shopping experience with secure payment options and order tracking.
- Implemented backend logic leveraging Java and Spring Boot to ensure robust performance.
- Designed attractive and intuitive frontend with HTML, CSS, JavaScript, and React.js, enhancing user engagement.

Student Data Management System (SDMS)

- Developed a Spring Boot-based SDMS to streamline student data management.
- Designed an intuitive interface with HTML, CSS, and React JS, enabling staff to efficiently manage student records.
- Implemented a robust database connection using a repository pattern, ensuring data accuracy and security.
- Leveraged Java, Spring Boot, and Data JPA to create efficient backend logic, optimizing performance.

Certification

- Certified Full-Stack Java Developer | Qspiders Training Institute
- Certified Software Engineer | Hacker Rank

EDUCATION

Bachelor's degree in Computer Application | 73.5 % | April 2021

Achievements & Interests

Achievements:

- **Team Leadership:** Led a project team at Qspiders, demonstrating effective leadership skills and Ensuring successful project completion.

Interests:

- **Learning New Technology:** Passionate about staying updated with the latest advancements in technology and continuously expanding knowledge.
- **Travelling:** Enjoy exploring new places, cultures, and cuisines, fostering a sense of curiosity and adventure.
